The **Eckstein Middle School PTSA** seeks to include as many families as possible in our efforts to help every child in our school community. With the school year launching remotely, we are preparing to support our students and staff in unexpected ways.

We would like to remove barriers preventing you from joining us as a member. Through this offer your membership fee will be covered.

A strong PTSA will:

- Support our advocacy at state and national levels
- Fund student programs and activities
- Provide additional assistance to Eckstein families in need

You will also receive member benefits through our affiliation with the WA State PTA.

**Through a membership-matching program we are offering you a Single Adult Membership, free of charge, for the 2020-21 school year.**
